

Customer Preparation Sheet

Please read through the below checklist to ensure your car is prepped and ready for our car wash services:

- ☐ If possible, please be present upon our arrival for the car wash to make sure the keys are handed directly to us for your wash. Please come check out with us once your car wash is complete for you to inspect your shine. If you cannot be present at those please, please coordinate with Drip-N-Shine via the Fieldd app chat with necessary details.
- ☐ Please have your vehicle parked in an accessible, appropriate, and safe area to ensure a smooth service.
- ☐ Please park/position your vehicle so that our mobile wash driver can pull up as close to your vehicle as needed. Preferably within 10ft.
- ☐ Please make sure our selected wash area will not block traffic or ensure that traffic may safely go around if car wash is street side. Our mobile car wash drivers are ready to assist in recommendations on where and how to park if needed. Please contact us via the Fieldd app if needed.
- ☐ Please have personal items, valuables, firearms, and other weapons removed from the vehicle prior to our arrival.
- ☐ Please have all windows and sunroof/moonroofs closed.
- ☐ Please ensure there are no harmful spills or products in the car such as pesticides, fiberglass, bodily fluids, or other hazardous materials.
